TEACHING EXPERIENCE

DEPARTMENT OF PUBLIC POLICY

- **PUBL 698 Policy Analysis Capstone**
 - The policy analysis capstone project brings all the skills that graduate policy students have learned together in a group research project.

DEPARTMENT OF POLITICAL SCIENCE

- **POLI 440 Urban Politics**
 - This class is designed to provide students with a theoretical understanding of the various aspects of governing, politics, policy and planning that occur within urban settings in the United States.

- **PUBL 304 Community Research**

- This course involves students in a team-based project to generate field research findings useful to a government or non-profit client/partner. Students contribute to the research design and to the preparation of the research findings, and conduct extensive field research. They build practical research skills and engage with members of local communities.
